

1, 2, 3 Science Clipart Constellations Set

Welcome to 1, 2, 3 Science Clipart, the Constellations Set! This collection includes:

- **Constellations** - Common constellations are represented with and without connecting, and also with artistic renderings.

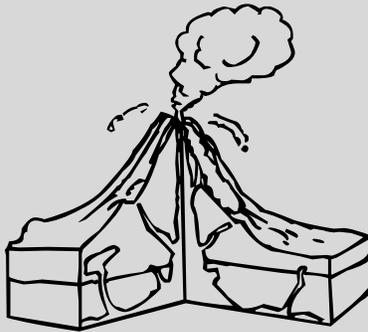

About the images...

All of the images in this set are presented in both **.PNG** and **.EMF** (Enhanced Meta File) format. **PNG** files can be edited in basic paint programs, but may become “fuzzy” when enlarged. **EMF** files are more clear when enlarged, but cannot be edited in most paint programs. Both formats maintain transparency, meaning they do not have a white box around them as would be found in **JPEG** images. In the examples below, the **.jpeg** is not as clear when enlarged, and also maintains a white “fill” inside and around the image. The **.emf** and **.png** images have a transparent “fill”, making them appropriate to use on any background color.

jpeg

emf

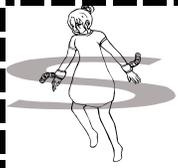

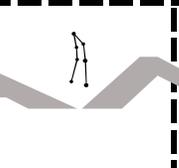

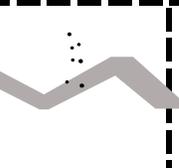

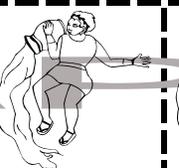

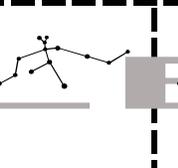

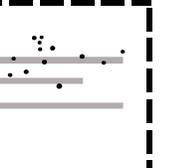

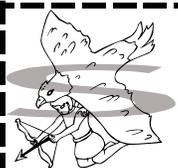

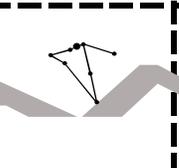

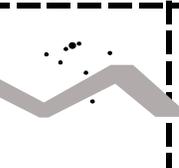

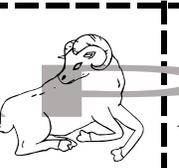

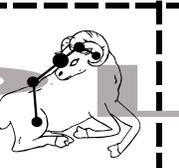

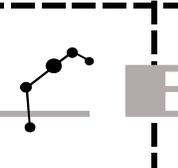

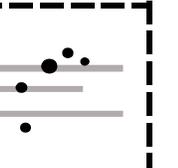

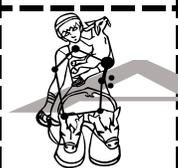

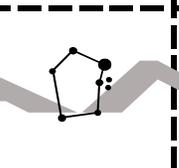

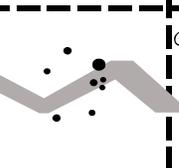

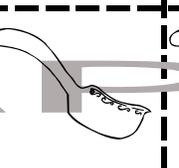

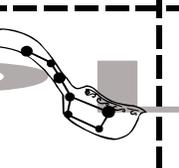

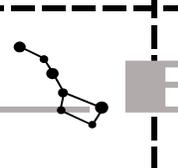

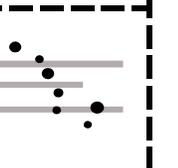

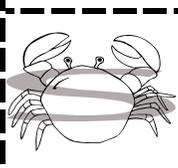

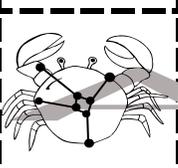

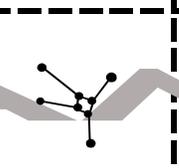

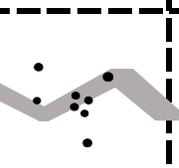

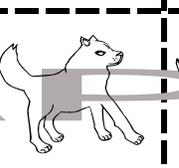

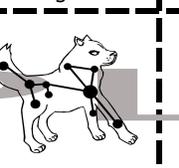

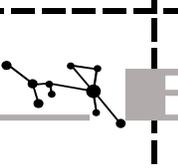

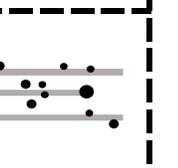

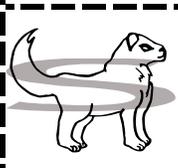

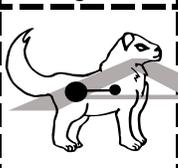

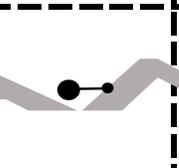

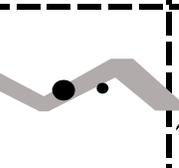

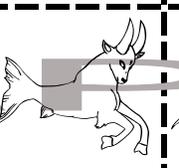

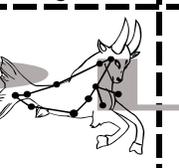

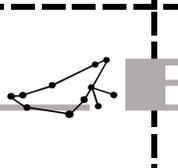

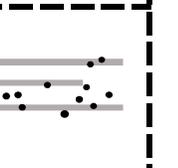

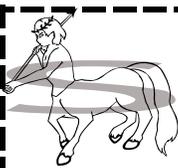

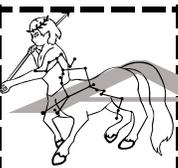

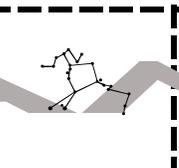

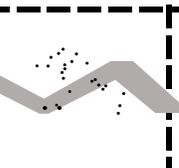

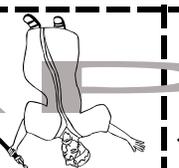

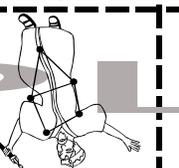

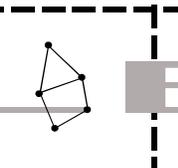

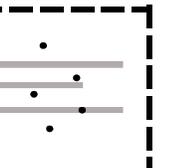

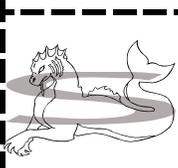

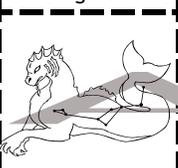

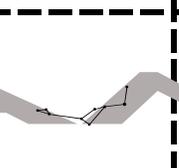

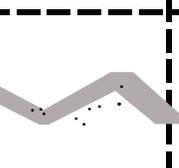

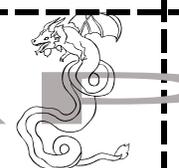

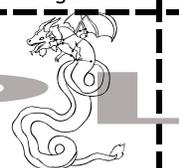

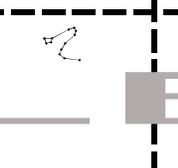

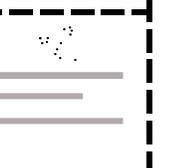

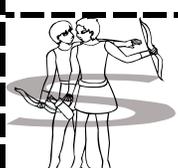

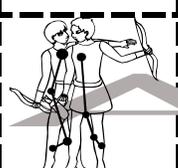

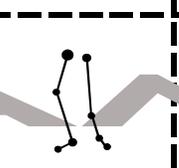

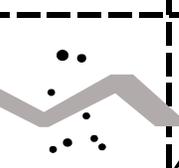

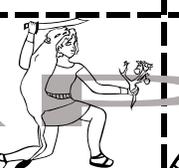

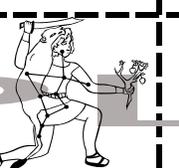

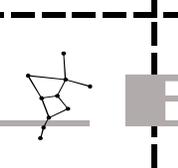

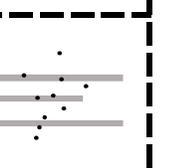

png

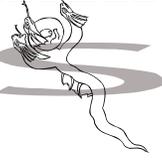

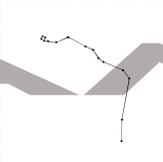

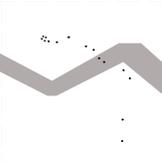

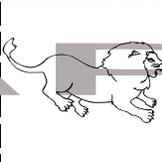

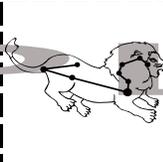

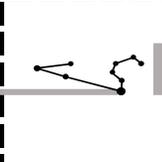

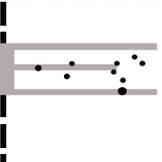

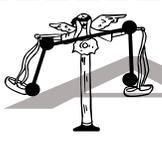

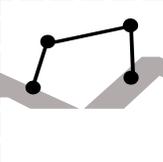

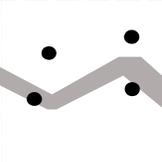

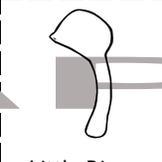

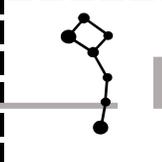

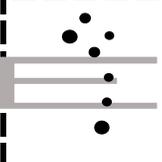

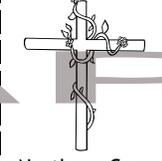

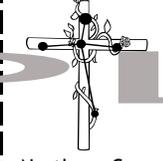

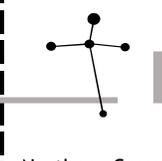

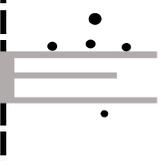

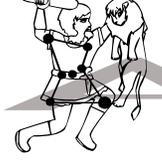

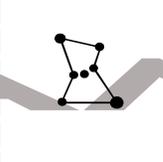

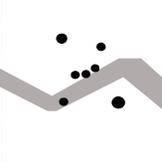

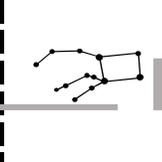

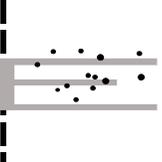

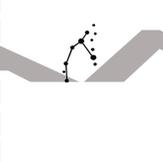

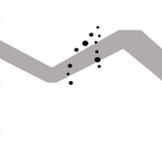

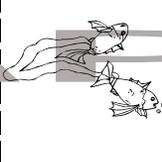

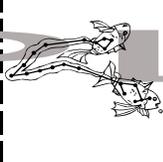

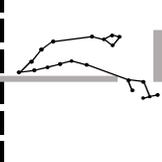

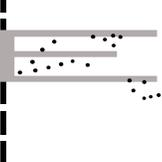

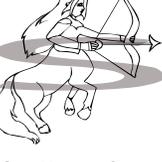

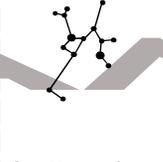

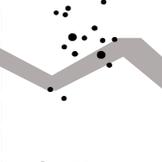

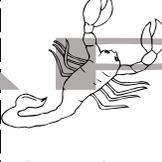

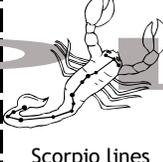

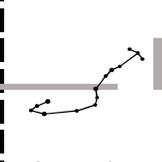

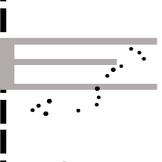

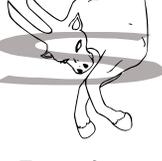

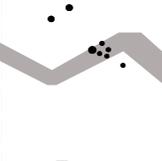

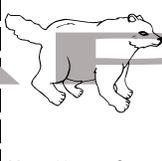

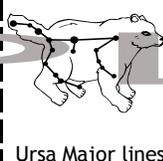

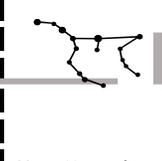

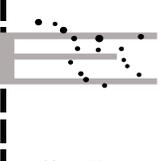

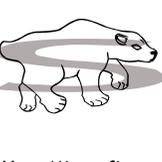

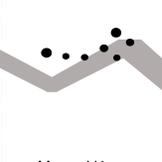

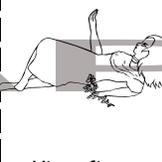

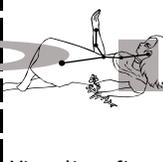

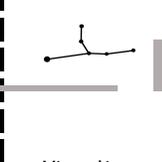

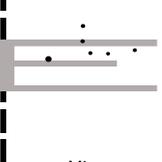

PNG files can be previewed in a folder, but **EMF** files can be difficult to preview. Every effort has been made to make filenames as descriptive and logical as possible, and image guides have been provided on the following pages.

Constellations Clipart 1

							
Andromeda figure	Andromeda lines figure	Andromeda lines	Andromeda	Aquarius figure	Aquarius lines figure	Aquarius lines	Aquarius
							
Aquila figure	Aquila lines figure	Aquila lines	Aquila	Aries figure	Aries lines figure	Aries lines	Aries
							
Auriga figure	Auriga lines figure	Auriga lines	Auriga	Big Dipper figure	Big Dipper lines figure	Big Dipper lines	Big Dipper
							
Cancer figure	Cancer lines figure	Cancer lines	Cancer	Canis Major figure	Canis Major lines figure	Canis Major lines	Canis Major
							
Canis Minor figure	Canis Minor lines figure	Canis Minor lines	Canis Minor	Capricorn figure	Capricorn lines figure	Capricorn lines	Capricorn
							
Centaurus figure	Centaurus lines figure	Centaurus lines	Centaurus	Cepheus figure	Cepheus lines figure	Cepheus lines	Cepheus
							
Cetus figure	Cetus lines figure	Cetus lines	Cetus	Draco figure	Draco lines figure	Draco lines	Draco
							
Gemini figure	Gemini lines figure	Gemini lines	Gemini	Hercules figure	Hercules lines figure	Hercules lines	Hercules

Constellations Clipart 2

							
Hydra figure	Hydra lines figure	Hydra lines	Hydra	Leo figure	Leo lines figure	Leo lines	Leo
							
Libra figure	Libra lines figure	Libra lines	Libra	Little Dipper figure	Little Dipper lines figure	Little Dipper lines	Little Dipper
							
Lyra figure	Lyra lines figure	Lyra lines	Lyra	Northern Cross figure	Northern Cross lines figure	Northern Cross lines	Northern Cross
							
Orion figure	Orion lines figure	Orion lines	Orion	Pegasus figure	Pegasus lines figure	Pegasus lines	Pegasus
							
Perseus figure	Perseus lines figure	Perseus lines	Perseus	Pisces figure	Pisces lines figure	Pisces lines	Pisces
							
Sagittarius figure	Sagittarius lines figure	Sagittarius lines	Sagittarius	Scorpio figure	Scorpio lines figure	Scorpio lines	Scorpio
							
Taurus figure	Taurus lines figure	Taurus lines	Taurus	Ursa Major figure	Ursa Major lines figure	Ursa Major lines	Ursa Major
							
Ursa Minor figure	Ursa Minor lines figure	Ursa Minor lines	Ursa Minor	Virgo figure	Virgo lines figure	Virgo lines	Virgo
