Throw Away the Scissors!

Once these True Type fonts are installed into your system's Fonts folder, you will be able to access them through virtually any program that allows you to select a font, including Microsoft products (Word, Powerpoint, Excel, Works, Publisher, Viseo), Adobe, and most interactive white-board presentation software.

1, 2, 3, Math Fonts & 1, 2, 3 Science Fonts allow you to easily create customized materials with programs that you are already familiar with and frequently use.

Make Your Own...
